Works by Frederick Law Olmsted

Frederick Olmsted left an invaluable resource of personal and professional papers which provide a unique perspective on American society and institutions in the nineteenth century. Many of those resources are compiled in The Papers of Frederick Law Olmsted. Other noteworthy works include books by Olmsted recounting his transformative trip to England in 1850 as well as his travels through the South.

The Papers of Frederick Law Olmsted can be accessed through www.olmsted.org.
